For participants wishing to extend their stay to explore the city, we regret that on-campus housing is not available beyond Thursday night, June 18. A list of area hotels can be provided.

Funding: Counselors at U.S. Department of State–assisted schools should have their school head contact their regional education officer to verify if funding/scholarships are available.

Guests: Georgetown University does not have accommodations in residence halls for guests (such as spouses and/or family members) of institute participants.

Travel: Participants are responsible for their own travel expenses. Three airports serve the Washington, D.C., metropolitan area: Baltimore/Washington International Thurgood Marshall Airport (BWI), Dulles International Airport (IAD) and Reagan Washington National Airport (DCA). Taxis and/or shuttle services between these airports and Georgetown University vary in price. More details will be provided in your confirmation packet.
